WP(C) NO. 23776 OF 2007 E

Dated this the 3rd day of August, 2007

The petitioner's grievance in this writ petition is that without properly considering Exts.P1 and P2 petitions for measurement of his properties, the petitioner is likely to be evicted from his properties in question.

2. I have heard the learned Government Pleader also.

3. For eviction, certain procedure is prescribed under the Land Conservancy Act, which includes a notice and a hearing. That being so, the petitioner cannot be evicted except after a notice and a hearing.

The writ petition is disposed of with the above direction.
